Protect Personal and Sensitive Information! To ensure that the sensitive personal information you are reporting is not disclosed to the public, you must provide such information only where it is specifically requested. For example, an individual's Social Security Number (SSN) must be reported only in a designated SSN field and not in response to any other question, particularly those questions that allow for a narrative (i.e., free-form text) response. For additional guidance on the reporting of sensitive personal information in the CRD system, please visit: www.finra.org/crd/protectdata
